CAREER OBJECTIVE:

My professional objective, as an MBA candidate seeking a challenging role, is to apply my financial knowledge to enhance decision-making, deliver precise financial analysis, and contribute to an organization's overall financial performance. Additionally, I'm always looking for career advancement possibilities anywhere I can apply my expertise in inventory management, purchasing, and logistics to boost productivity. My goal is to gain expertise in risk management, sustainability, and demand planning. I am confident that I can make a substantial contribution to any company that appreciates both excellence and creativity.
